HOW CAN JEW-AND NIGGER-LOVING LIBERALS BE SO STUPID?

Official Publication of the American Nazi Party

THE ROCKWELL REPORT is published fortnightly by the American Nazi Party at 928 N. Randolph St., Arlington, Virginia, U. S. A. Single copy, 50¢. One year, mailed first class in plain, unmarked envelope, $10, Air Mail, $11. One month, $1. Clippings welcomed.

My two best friends in college were red-hot "liberals." I enjoyed their company; they were endlessly creative and intelligent; and we produced some real Bohemian hell around the campus of Brown University--including some pages of the campus humor magazine, which fetched us all into the Dean's office more than once.

But I could never understand WHY these otherwise intelligent and even brilliant young men were such blind, intolerant, rabid LIBERALS!

I KNEW they were sincere. I knew them far too well and in too many bleary beer-sessions to doubt the utter honesty of their "Liberal" beliefs.

But when they would preach to me that Franklin D. Roosevelt was the "greatest President we have ever had--perhaps the greatest man in the whole history of the world"--and when I could see with my own eyes and hear with my own ears that FDR was the world's most consummate liar, cheat, conceited prig and obvious faker--I was completely baffled. Of the fact that Roosevelt was actually a TRAITOR to his Race and Nation, I was mercifully oblivious. But even at that time, I did NOT see how any intelligent person, who examined the bare facts of Roosevelt's record and put his utterly brazen lies and contradictory promises side by side, could conclude that he was anything but an unprincipled SCOUNDREL.

I would covertly examine my two bosom companions, intellectually, morally and spiritually. HOW could they run howling with the "Liberal" pack of jackals at the college, when I KNEW they were so intelligent and downright SHARP? Were they BLIND? Were they HYPNOTIZED by something I was missing? Were they doing it for MONEY or maybe POSITION?

NO!

I could not have enjoyed one moment of association with men who would mold their opinions for money or position. And I knew they couldn't EITHER.

There was SOMETHING in the "Liberal" position which I was not able to perceive, something which was SUCKING my friends in so powerfully that their usual brilliant and analytical minds were turned off and they were HELPLESS to resist, as a moth is fatally and irresistibly sucked into the burning flame.

But what was it?

What irrational and false thing could there be which could negate all the brilliance and moral honesty of my friends and turn them into starry-eyed intellectual children, skipping eagerly after the "Liberal" pied-pipers into the fastness of a mountain grave for humanity?

Endlessly I searched for the answer: in psychology, philosophy, politics, religion--in every field I hunted for a reasonable explanation for such irrational conduct on the part of otherwise rational and even brilliant men.

But there was no answer to be found anywhere at Brown University--or any other university.

Liberals were just an utterly frustrating and impossible PARADOX, it seemed--sort of a curse of the Gods for rational men, and there was no out. You couldn't REASON with them; you couldn't PROVE anything to them, regardless of how cogent and overwhelming your documentation and evidence; you couldn't make them see the utter IDIOCY of their position, nor the suicidal results for all humanity if their ideas and aims were put into action.

For years, as I rose in the U.S. Navy, and then in business, I wrestled with the problem of these growing hordes of Liberals.

Never was there any light ahead. The more I searched and struggled, the more it appeared I was in an intellectual madhouse. People of impeccable character and intelligence, when approached on any aspect of the "Liberal" dogma, suddenly became as fanatic and passionately intolerant as the most wild-eyed heretic-burner of the Middle Ages. I felt like Alice-in-"Wonderland"--a nightmare "Wonderland." Everything was backward and upside-down and inside out. Truth was lies, reason was "prejudice," and facts were "propaganda," or even "hate."

When I finally became aware, little by little, of the Marxist-Socialist conspiracy, I thought, like most of my fellow "conservatives," that I had found the answer.

These people were actually SECRET COMMUNISTS!

As I examined the doctrines of the Marxists and compared them to the doctrines of the "liberals," I could not help but notice that the latter were only pale modifications of the former. Both were preaching "brotherhood," "peace," "democracy," "labor"--and on down the familiar list.

But at the back of my mind there was an immense and insurmountable obstacle to accepting

this "explanation."

I remembered my two college friends. It is POSSIBLE one or both of them MIGHT have been "secret Communists." But since one was a DEVOUT Catholic, it is impossible for me to accept THAT idea. Moreover, I have since come to know HUNDREDS of so-called "liberals," and I am sure they couldn't ALL be "secret," or even just unconscious, Communists.

Then, when I probed further into the political, mental, social and moral "cancer" of our times, Communism and Liberalism, I inevitably discovered the JEW! Wherever I found the rot of Liberalism and finally Communism, there I found the little Jew-boys, "like wriggling maggots in a decaying corpse, often quite blinded by the sudden light," as Hitler puts it.

Just as I had once almost leaped to the conclusion that Liberals were simply secret or incipient Communists, now I connected the overwhelming presence of Jews in the leadership of the Liberal ranks as the "explanation" of the madness. It was obvious that Jews were PUSHING the "Liberal" and Marxist Socialist doctrines for all they were worth; and the Jews had working control of all media of public information and entertainment to assist them in forcing conformity. Ergo, thought I, the JEWS are the "explanation" for the madness which besets us!

Then, while I was in business, I began to examine into the minds and souls of some of the men who were "Liberals," but were NOT Jews. Many of them disliked Jews--as do almost all people, instinctively--and they secretly admitted it. As I probed the beings of these men, I realized that there was a powerful, utterly DEADLY attraction of some kind in Liberalism; there was something in Liberalism which appealed to the deepest desires and drives of millions of human beings. The Jews could not swindle millions and millions of the most intelligent people among us for years and years, even with the most brilliant lies.

One day I was flying a Navy attack plane, an "AD," from Anacostia Naval Air Station to Naval Air Station-Dallas, Texas; and I had many long hours up there alone in the empty skies to think HARD. I had my navigation and mechanical settings for the aircraft down to a "T," and began to fasten my mind on to the problem of the "Liberals." I searched for a REASONABLE answer to the question: "How can an honest, reasonable and very intelligent man fail to see the insanity and irrationality of "Liberalism"? That it wasn't because ALL of them were crypto-Communists I was sure, and that it was not ALL the work of the Jews I was also sure.

Up there in the biting-cold, dark blue air of the upper atmosphere over America's rolling farms, rivers, mountains and forests, I FOUND IT!

As I cast my mind analytically over and over the position, actions, arguments and dogmas of the Liberals, I searched for a COMMON DENOMINATOR--a thread of idea or belief running through ALL their doctrines which could reveal what it was they were REALLY trying to do and WHY.

And I FOUND such a "common denominator" --a single idea which can be found in EVERY SINGLE DOGMA OF THE "LIBERALS"!

That single, constant theme is "FAIRNESS."

"It isn't FAIR," say the "Liberals," "that some students should publicly FAIL, while others succeed. Those who fail are hurt and fail MORE. Therefore, we must eliminate grades and competition in school, and find ways of HELPING the so-called 'failures' !"

"It isn't FAIR," they say, "that one man should have a million while another starves. Therefore, we will soak the rich and give 'welfare' to the poor."

"It isn't FAIR," they say, "that one man is born a relatively stupid black Negro and another a handsome, intelligent White man. Therefore, we will decree 'EQUALITY' and see that the less intelligent and ugly Black Man is PUSHED UP to a 'FAIR' position with the White Man."

"It isn't FAIR," they chant, like priests reciting their Matins, "that millions in India, China, South America, Haiti, and the other black and mongrel nations should have so little while white America and Europe have so much. Therefore we will take from the productive and creative White nations and give to the 'undeveloped' and 'underprivileged,' nations so they will all 'share fairly' in the bounty of Nature."

"It isn't FAIR," piously intone the "Liberals," "that there should be WARS and men should KILL each other. Therefore, we shall set up international machinery to give EVERY man one vote in a ONE-WORLD scheme of EQUALITY."

And this line inevitably leads them to the point where they are saying, "It isn't FAIR that America and the White Race should have so much and be so happy while others are not. Therefore we must tear down America and the White Race in order to build up the other nations and races."

EVERY SINGLE DOGMA OF THE "LEFT" WILL BE FOUND TO PARTAKE OF THIS SAME PASSION TO BE "FAIR" TO THE UNFIT, THE WEAK, THE MONGREL, THE COWARDLY, THE STUPID AND THE LAZY--AT THE EXPENSE OF THE VIGOROUS, THE PRODUCTIVE, THE STRONG, THE FIT, THE BRAVE AND THE BEST!

Communism is simply the brilliant and militant organization of the least fit to overwhelm the fittest by SHEER STRENGTH OF NUMBERS!

Marxist Socialism is a MUTINY of the weak, the mongrel, the cowardly, the lazy, the stupid and the unproductive MAJORITY and MASSES to seize power from the ELITE MINORITY of natural leaders of humanity--the fit, the strong, the productive, the intelligent, the brave and the BEST. And the mutiny has been organized and is being brilliantly led by the weak but BRILLIANT JEW!

There can be no doubt, once one has examined the history of Leftism and Marxism, that this mutiny of the inferiors against the superiors was codified into a coherent PLAN by the apostate Jew, Karl Marx, and in the form of Communism now ravages the earth like a plague.

But at the same time, those who oppose this fearful reversal of all human progress, must recognize WHY so many intelligent, honest and even courageous non-Jews espouse SO MUCH of the Communist doctrines of "Liberalism"--while truly believing they are not only non-Communists, but ANTI-Communists!

It is because the Anglo-Saxon, the Nordic, the Aryan, or whatever you want to call him, has an overwhelming love for JUSTICE--FAIRNESS to the underdog, etc. etc.

Ordinarily this would be GOOD. It IS good.

But, at least for the moment in terms of human history, these millions of basically good men of the finest type--BECAUSE OF THEIR VERY EXCELLENCE OF CHARACTER--HAVE BECOME SO PREOCCUPIED WITH HELPING THE "UNDERDOG," THAT THEY ARE BEATING THE UPPERDOG TO DEATH!!!

Only in the Aryan, White Nordic Race has such a passion for "justice" ever developed! In the darker races, slavery, cannibalism, brutality and tyranny STILL prevail, whenever the influence of the White Race is sufficiently removed.

In short, "Liberalism" is "Justice" and "Christianity" carried to the extremes of suicidal madness.

To use a very apt analogy, liberals cannot stand to see the poor, innocent "weeds" of humanity pulled out of the garden, to die--so that they wind up being PRO-weed and ANTI-vegetable.

It is actually as SIMPLE as that!

At university after university where I speak, I am appalled at the progress this "pro-weedism" has made with the FINEST specimens of our OWN RACE.

At almost EVERY school I am approached by truly beautiful, blonde young girls, who should be preparing to mother more of the kind of people who produced the ideals of justice and fairness in the first place. Instead, ALL their motherly instincts and concern is for the human "WEEDS" on this earth; and they are often holding hands with a black half-ape as they speak to me--full of downright PRIDE at their "fairness" and "goodness."

They don't hold hands--and the rest--with those Negroes because the Blacks are better lovers than we are, or because they truly admire them, but because of their once blessed sense of DUTY and FAIRNESS to the weak and helpless!!! They are told that the Black boys are the same as the White boys, but have been unhappily given a dark skin, and for THIS REASON ALONE (the girls believe) the poor Negroes are persecuted and unfairly denied the blessings of White Western Civilization which they "deserve."

It is the nightmarish PERVERSION of our most noble trait as a race, the Nordic and Anglo-Saxon sense of JUSTICE and FAIR PLAY, which produces the herds of cockeyed, mad "Liberals" which stampede through our colleges and universities and shuffle as "Peace Creeps" at the White House.

But how do the Jews fit into all this?

Have they CONSCIOUSLY promoted this madness for their own ends?

I think not, at least not the vast majority.

The Jews for thousands of years have been themselves HUMAN WEEDS in the garden of civilization. Everywhere they have gone they have devoured the nourishment of the productive human plants so voraciously, and without producing anything of lasting value, that EVERY civilization

plagued with them has risen at last to uproot them or kill them in self-defense. This is not propaganda, it actually HAPPENED in Greece, Rome, Spain, Italy, France, Britain and most other countries. AND THE SIGNIFICANT POINT IS THAT IN EVERY CASE, A "GOLDEN AGE" HAS FOLLOWED THE EXPULSION OF THE JEWS--as, for instance, in Elizabethan England. The most recent example was in Germany, which burst into incredible, productive and happy "bloom" when they finally pulled up some of the Jew "weeds" (and flung them into OUR garden, where they are now strangling US to death, which I have never appreciated).

The Jews thus KNOW, instinctively, if not consciously, that they are and must always be on the side of the "WEEDS" of society, and therefore of "WEEDISM."

Thus, ANY preaching, whether it be called "Conservatism," "Republicanism" or "Fascism," which preaches FAIRNESS TO THE PRODUCTIVE AND BETTER PART OF HUMANITY is ALWAYS OPPOSED BY THE JEWS, BECAUSE THEY KNOW THAT WHEN ONE IS FOR THE VEGETABLE, ONE MUST WIND UP FIGHTING THE WEEDS!

The hordes of "right-wing" organizations now proliferating in America and strangling each other for existence, have no conception whatever of this fundamental FACT of what the fight is all about.

They confuse the battle between WEEDISM and VEGETABLISM as a battle between the Christ and the Anti-Christ, between Religion and Atheism, between Capital and Labor, between "Big Government" and "Freedom," even between Jews and Gentiles.

It is really NONE of these, although there is some truth in all of them.

THE battle of our times is between the few ELITE speciments of Homo sapiens who have heretofore dominated and managed the massed millions of inferior specimens, and produced a PRODUCTIVE, if not thoroughly just ORDER, and the massed slobs of the world, the weeds of humanity, who are being LED TO A LARGE EXTENT BY OUR OWN RACIAL GENIUS FOR JUSTICE in the hearts of "HUMANITARIANS."

The Jews have leaped to the fore in this, for them, delightful situation. But they are not the sole originators of the situation. They are the NATURAL LEADERS of weeds in the human garden. They are the most TALENTED WEEDS in the world. But they are STILL WEEDS. To achieve the stupendous victories won by "weedism" since the turn of the century, the weeds had to win over some of the cleverest "gardeners" of our Race to more love of the weeds than of the vegetables. And they have done it.

When you speak to most "Liberals," you are NOT speaking to a genuine "Jew-lover," nigger-lover or even Communist--as it is so easy to think. To be sure, the hot-eyed "Liberals" come on strong for all of this, but not because they love Communism, Jews or Negroes, per se!

They come on for the scum of humanity, the weeds of humanity, because they are FILLED WITH PITY AND LOVE AND FEELINGS OF "JUSTICE" FOR THE "UNDERDOG"--the WEEDS--and they have FORGOTTEN THAT THE VERY NOBILITY OF IDEALS THEY FEEL SPRING FROM THEIR EXCELLENCE OF BREEDING.

When you are confronted by one of these "peace-creeps," "nigger-loving," Jew-led Liberal fat-heads, it is easy to hate them, curse them, and drive them still farther into the camp of the human weeds and their leaders, the Jews.

When you don't understand something, attempting to "fight" it is likely to be a painful process for both sides. The more you "attack" the dogmas of the Liberals, the more you convince them that you want only to be "UNFAIR," to be greedy, a bully, a "reactionary"--and finally a Fascist--just as they have been told you are by the Jews.

They have been taught that the weeds would have been vegetables, too, had it not been for an unfortunate APPEARANCE of being weeds, which creates PREJUDICE against them, and denies them equal opportunity. When you deny these human weeds "WELFARE," "EQUAL OPPORTUNITY," "DIGNITY," and all the rest, and go so far as to preach that they are actually WEEDS and UNPRODUCTIVE (Racism), then these lovers of super "fairness" truly believe that you are a selfish, feudalistic, hate-filled, jealous and brutal bully who desires to murder and oppress others for your own glory and advantage. They perform almost literal MIRACLES to graft some vegetable characteristics on one of the weeds, and, when they have succeeded in producing a shriveled, pitiful, miscarriage of a "vegetable" from the dirty stalks of one of their beloved weeds (crossed with a vegetable), they feel close to the milennium, when weeds, too, will have equal rights and grow fat tomatoes.

As long as you attack these pitiful, "Liberal"

lovers of "fairness" to all, including weeds, on the grounds of economics, politics or any other area of human knowledge, they can beat the life out of you with their loaded statistics. They can find at least ONE weed which has produced ANYTHING, after sufficient crossing and manipulating. Averages mean NOTHING to them, and the fact that trillions of their weeds have produced only a tangle of useless vines over countless millions of years is waved away in an instant when they can at last find one weed which has been crossed a dozen times with tomato plants, and, after being fed super-special fertilizers and petted and babied, has produced a dwarf "tomato" which would be thrown away on any decent farm.

The weed-lovers then hold an ORGY of self-gratification over their "proof" that weeds, too, are "equal," and the "tomato" which would be scorned among ordinary tomatoes is hailed by the faithful as the glorious harbinger of the great day when "figs will grow on thistles."

Once I realized all this, I understood why you can NEVER win an argument with a "Liberal."

Their whole approach is almost RELIGIOUS in its intensity--and it is TOTALLY IRRATIONAL. There is no sense to it at ALL, and arguing with them on THEIR ground is as useless as going to the lunatic asylum and trying to convince they guy with the sideways hat and the hand in the coat that he is NOT Napoleon.

When university students ask me why I can't see that a nigger is the equal of a White man, I refuse to get bogged down in the inevitable battle of "statistics." For every statistic we have, they have two showing that some nigger is a better writer than Shakespeare; another coon is a natural Beethoven (although he has been "held down" by Nazi racists, etc.); and still another boogie is a Socrates being stifled by the Eastland's and the Talmadge's.

I have only one reply--which makes them boiling mad--but which puts an end to their wretched game of manipulated statistics.

I ask them what they would do with a man who claimed that it was more pleasant to hug and kiss another man than a beautiful girl. Would they try to ARGUE with such a pervert? No, I point out, any man who can't see the beauty of a beautiful woman is QUEER, and you can't argue him out of it. It is the same, I continue, with any man who can look at a pure, black, ape-like Negro, and imagine such an animal-like creature is the "equal" of a cultured, sensitive gentleman of Western Civilization, such as the man who conceived and founded our wonderful American Republic, the same men who kept their ape-like Blacks CHAINED UP LIKE ANIMALS.

Being a "queer" is a PERVERSION of the very necessary and excellent instinct of sex. And being a "Liberal" is an EQUAL perversion of the very necessary and excellent instinct, (in the highest type of humanity) for justice and humanity.

In fact, it is noteworthy that those who go for the perversion of the instinct of justice--Liberalism--also often go for the perversion of the sex instinct too. In other words, "Liberals" are intellectual QUEERS, and they often become physical ones too.

The next question which arises in dealing with these perverters of a noble instinct for justice is: what do you DO about them? How do you "straighten them out" or cure the civilization which suffers from them?

And this is where the Nazis prove themselves able gardeners of humanity, able to produce a happy and flourishing garden, while others are fiddling around trying to ignore or get away from the weeds.

We believe that WEEDS MUST BE UPROOTED OR KILLED.

No gardener in his right mind would attempt to "reform" weeds; and it is equal madness to work trying to graft weeds to grow tomatoes, when tomato plants do ever so much better without any special work.

Fortunately for humanity and civilization, the soft-headed "Liberals" who weep for the weeds are, as the very UN-Liberal Mr. Krushchev put it, "too Liberal to fight," and content themselves with hand-wringing and restrained moans and sobs on the sidelines as the battle for civilization rages back and forth between the only two AGGRESSIVE, ALIVE forces in the world today, JEWS and NAZIS.

The Jews have been convincing the "Liberals" for years that they must "tolerate" the WORST KIND of Jewish assaults upon our Race and Republic, in the name of "freedom."

Now the same Jews are desperately trying to convince their "Liberalized" Goy softies that it is their duty to stand up and FIGHT the awful Nazis!

But Liberals are Liberals. They don't fight!

They know how to ruin CONSERVATIVES, for sure. That's easy, because CONSERVATIVES

Henry Ford only about 40 years ago, and will be all over in another 15. The Jews, as usual, win

or Marines on active duty--a living testimonial to the flaming spirit of American patriotism and FIGHT still to be found in our U. S. Marine Corps. And it is precisely THESE kind of Marines who are being forced OUT, while cannibals, beatniks, desk-heroes and politicians are being forced UP to positions of command. The ROTTENEST example of this kind of thing is the premature retirement of the GREATEST living Marine, General "Chesty" Puller, of Saluda, Virginia--while Washington toadies are given top command for installing more Negroes, Jews and "brotherhood" advocates as "leaders" in our supposedly elite fighting battle group.

While General Puller probably thinks of me as some kind of ogre, I am proud to say I know him personally, and think of him as one of my ideals, as a HERO, which he is to thousands and thousands of Marines, even today. He is puzzled by his early retirement, and he won't believe me when I tell him the real reasons. He just can't believe it yet--but he WILL. Little by little our military men are beginning to wake up to the fact that our Fighting Forces are being demoralized and destroyed by what they call "civilian meddlers"--and sooner or later they are learning that the "civilian meddlers" are people like the Hungarian Jewess, Anna Rosenberg, who was recommended by Ike and General Marshall and installed by Harry Truman as Assistant Secretary of Defense in charge of "manpower"--IN SPITE OF THE FACT THAT SHE WAS IDENTIFIED UNDER OATH AS A COMMUNIST! This red Jewess removed the crosses from our military cemetaries because the lack of Jew six-pointed stars showed up too clearly in these bone-yards of Jew-promoted wars. She also was the number two figure in the Marshall Pentagon when five of our top generals reported from Korea that they got FORGED ORDERS to retreat, and it is believed by informed observers that it was red Anna who promoted Perress, the red Jew who was uncovered by Joe McCarthy.

Our American Fighting Forces are being DESTROYED by INTERNAL SABOTAGE so they can't, and, more important, so that they WON'T fight, if the time ever comes!

This steady persecution of Marine Corps D. I.'s for making TOUGH Marines is part of that rotten sabotage. To see a United States Marine now SENT TO PRISON for THREE YEARS--and given a DISHONORABLE DISCHARGE--for doing what produced much of American History at Chateau Theirry, Nicaragua, Guadalcanal and Iwo Jima--makes me fighting, cussing MAD.

SHAME ON THE COWARDS IN TOP PLACES IN OUR ARMED FORCES WHO THUS THROW BRAVE MEN TO DISGRACE AND DISPAIR JUST TO PLACATE A ROTTEN GANG OF JEW-AND-NEGRO-LOVING POLITICIANS IN WASHINGTON!

When my turn comes to wield legal, National power, I shall see to it that the villains who are permitting this kind of treachery to our bravest and best FIGHTING MEN will be properly punished after trial and conviction.

Marine Corps Sgt. Slay will be restored to his rightful rank and position and honored by his Country for daring to maintain the greatest fighting tradition this America ever had.

By all that I hold holy I swear it!

NIGGER MUSIC AND PAVLOV

As you grow older and more experienced in this world, you either get used to accepting a lot of plain insanity as "normalcy"--or you go nuts yourself.

As a little one going to Sunday School, you are taught about honesty, love, etc.

Then you discover the Sunday School teacher, a pillar of the community, is a consumate liar in business, cheats on his wife, acts the part of a coward in politics whenever his "business interests" are threatened and generally is a fake.

You get used to that, and learn to operate on the presumption that the "normal" man will do all these things.

But there are SOME developments in our "modern" America which exceed even the bounds of such "normal" idiocy.

Among the worst of these is the maddening schizophrenia of American YOUNG people, particularly the youth of the American South.

All over the Southern U. S., the young men particularly pride themselves on being "nigger haters," ready to put down the blacks by violence at the drop of a hat. The same thing is true in every large American city where there is a large Negro or colored population. Only in the screwed-up, "hot-house" Jewish-liberal atmosphere of the universities and colleges will you find any large number of young white males who do not froth and

rave about the "nigger situation." Everywhere else, wherever there are niggers to be hated, the young White males duly hate them and take a real pride in it, too.

Although these young men go at the problem in entirely the wrong manner from a tactical viewpoint, their instincts are healthy. They are aware that their OWN people, their own folk, their own TRIBE is being challenged and threatened, and they react as Nature intends them to, by the natural "hate" in every creature for whatever threatens its existance, and by readiness to FIGHT such a threat.

But, at the same time, the more these young men "hate niggers," the more they LOVE NIGGER MUSIC, or rather the jungle noises which PASS for "music" among cannibals and savages.

The more the tough young, White Males "hate niggers," the more you will find they TALK like niggers.

It is "MAN, like crazy, man!" and "I'm gonna CUT you, Mother----------," and all the rest of the utterly VILE talk you can hear on any coon corner in America.

The Negro blight of NARCOTICS is a mark of status with our hordes of screwed up White Youth, and the whole atmosphere in a gathering of young White Americans today is the same utterly VILE atmosphere you will find among a gang of ugly, black, savage, anti-White Negroes in any "Harlem" in America.

Above all, our White Youth is utterly captivated and hypnotized by the Cannibal "music" and the savage, brutal "BEAT" of ape-like Negroes, who have no faint perception, let alone understanding or love, of the subtleties or beauties of WHITE MAN'S MUSIC--the "square" music of our noble ancestors, in which melody and harmony predominate over naked rhythm. Such refined music, the music of the higher evolution of the White Man, particularly the Nordic, in which the raging excitements of primitive rhythms are submerged in the subtle and cultured harmonies and meanings of ancient English, German, Scandinavian music and ballads, is utterly SCORNED by young, tough, White "nigger-haters" as "long-hair" music, "crap," and other terms meaning "corny" or "square."

For a long time, the most heart-breaking thing about this love of "nigger 'culture' " by rabid "nigger-haters," was that many of my OWN, BEST MEN couldn't tear themselves away from a love of "nigger-music."

They rationalized it in a thousand ways. It was NOT "nigger," I was told--it was the new "folk-music" of America, etc., etc!

I couldn't understand it, and was often hurt deeply when I would catch some of the finest specimens of Nordic manhood I have "bootlegging" a session of listening to the WORST kind of Jew and nigger "jazz." They knew it was rotten, Jewish and black. But, somehow, they just couldn't BEAR to be without it, in spite of all reason.

For several years I wracked my brains trying to figure out why a man would despise the gang which is wrecking America and our White Race, and then LOVE one of the worst "wrecking bars" the Jews and blacks are using to destroy us!

Then one day I hit upon the answer!

PAVLOV!

The great Russian psychologist who discovered the secrets of mind-manipulation now called "brain-washing"--the simple technique of the CONDITIONED REFLEX, provided the answer.

Older readers are asked to remember their teen-age days.

Do you remember when you first kissed a sweet young thing and you were all aglow with the utter WONDER of it?

Do you remember the MUSIC of the period, whenever it was? --The particular songs of the day? --Perhaps Pony Boy, Alice Blue Gown, or, as in my own case--'Deep Purple."

Do you not FEEL something when you hear those songs and sounds today?

I certainly do.

When a young man or young girl is experiencing the overwhelming natural joys of love and youth, the sights, sounds, smells and even the feels of his surroundings at the time become PART of his JOY, and pass beyond reach of cold reason.

This is precisely what Pavlov discovered in experiments with dogs. The classis was the dog who was confronted with meat and the ringing of a bell until he salivated at the sight of the meat, and then finally just the sound of the bell started his saliva dripping--an utterly UN-NATURAL reaction.

This is precisely what the diabolical Jewish merchants of jazz and wild "nigger-music" have done to our young people.

Through their rotten monopoly of TV, records, movies and all other media of information and entertainment, the Jews have managed to EXCLUDE as "corny," all real WHITE MAN'S popular music, from our dance-halls, bars, etc. Every year, they get bolder in the naked SAVAGRY and orgiastic RHYTHMS of their wild cacaphonies on the "juke boxes."

Young White boys and girls hear NOTHING ELSE when they are enjoying some of the supreme experiences of their lives--and THESE VILE NOISES--like Pavlov's bell, BECOME PART OF THE EXPERIENCE FOR OUR KIDS!

Thus, when my healthy young fighting men hear this cannibal garbage from the jungle--they don't hear what I hear, what is really there. No. They hear the soft sighs of their first sweet young conquest in their ears, while this vile "music" was going on someplace, they involuntarily recall the dewy wonder of awakening LIFE and the soft touch of the most wonderful thing in the whole world to a healthy young man, a GIRL!

They are HELPLESS, really, to break this Jewish conditioned reflex, just like Pavlov's dogs could not help salivating for the lousy bell even when there was no meat.

About the best we can do is help these young White Americans to UNDERSTAND why they feel as they do--and try, gently and slowly, to get them to know and love their OWN music, the folk music of their OWN people, not niggers and wailing, filthy-minded Asiatic Jews. It helps to understand them, and this analysis should help.

However, the LANGUAGE is something else. Filthy nigger-talk, sprinkled with Mother-F------- every third word or so, simply cannot be tolerated.

It is about time that at least the SOUTH stop tolerating nigger pocket-books in its drug-store racks, nigger-talk and boogie music. Even the Supreme Court can't MAKE us love and mix with THAT.

FOUNTAIN PEN KAMIKAZES

I am a stock holder in National Review--courtesy of one of the original stock holders who got disgusted and turned his stock over to me so I could perhaps get Mr. Buckley, Jr. to tell the whole truth rather than just the profitable truth.

As a result, I automatically get the National Review mailings.

In the most recent one, millionaire Buckley writes the most incredible--and pitiful--phrase I have seen in a long time from a "patriot."

Carefully removing the silver spoon from his mouth and taking his platinum pen in hand, William surveys the bloody battle going on all over the world for the survival of the White Race and western civilization--a battle in which millions are being brutally murdered and/or enslaved--and then writes that he and his fellow millionaire patriots desperately need money because they are "writing their hearts out"!! Here is an actual photograph of parts of the letter begging for money.

L. BUCKLEY

sing to a world dominated by Liberals that there is now another presence in the room where the discussions go forward, that that presence is sustained by bright and wise and devoted men and women who will write their hearts out to save this country, and to pass on to our children the free institutions we

deep regard for your privacy, and for your generosity; and that I violate the one, and appeal to the other, only because we are in dire straits, as is the free world.

Yours faithfully,

THE PITIFUL ABSURDITY OF THIS VERY REVEALING PHRASE BY MR. BUCKLEY HAS INSPIRED ME TO WRITE A LITTLE PLAYLET WHICH IS HEREWITH PRESENTED.

Last Full Measure of Devotion

A ONE-ACT PLAY BY GEORGE LINCOLN ROCKWELL

Time: 1778, December

Characters: Wm. F. Duckley, Jr., a delicate gentleman. L. Brent Boozer, a red-headed patriot. Frank Solomon Myer, a Jewish patriot. Drucilla Duckley, Wm. F. Duckley's sister, a nurse.

Scene: A hospital outside of Philadelphia. The three gentlemen are gathered in a drawing room of the hospital. They are wearing their hospital robes and sitting in wheel-chairs.

Boozer: Oh, dear, dear, dear, dear, DEAR!

Wm. F.: What is it, L. Brent?

Boozer: (Groaning) My hand! My fingers! They won't move! Ohhhhh! (Sobs)

Wm. F.: Nurse! Drucilla! I say! Come quickly, sister. Boozer is having a relapse!

Drucilla: (Rushing in) What's the trouble, my little Billy?

Wm. F.: Not ME! It's Boozer! His fingers!

Drucilla: GOODNESS! Yes, they are WORSE! Here, Boozer, put them in this warm cream and honey solution. Then rest them on this silken pillow! You poor dears!

Boozer: (Moaning pitiously) It's no use! No use! I've given my fingers to my Country!

Wm. F.: (Looking upwards into the distance with misty eyes) Yes, Boozer, we all have! (Remembers something suddenly) OH, --Myers--did you bring over another bag of money from good old Dad's vaults, as I asked?

Myers: Coitenly. I got two bags vile I was in dere. Vot do you vant?

Wm. F.: Good! Good! Send out for more strawberries and cream while I write another appeal letter for our desperate battle. I am utterly determined to DIE writing for my Country!

Myers: OK, Villiam. You shouldn't mind I should take just VON bag money, eh?

Duckley: No, no! (Waves his lace handkerchief in impatience) I must be on with my writing to save my Country! MY PEN, Drucilla!

Drucilla: Yes, Billy-boy. But really, now, you SHOULDN'T, you know. You already have third-degree writers cramp!

Wm. F.: Pish Tush! I say! What are my fingers--yes, my very LIFE, when my Country's LIFE is at stake? (He goes to the window and strikes a heroic pose) I only regret I have but five fingers to give to my Country! (He suddenly sees something out the window) OH! I say now! What's THIS!

(They all rush to the window)

All: OHHH!

Boozer: (With Drucilla holding his hand on the silken pillow--groaning) Gracious! It's those RUFFIANS!

Wm. F.: Oh, BOTHERATION! Oh, drat! (Stamps his foot) It IS those ruffians!

Myers: (Counting the money, without looking up) Vat are they doink?

Duckley: The bounders are crossing the DELAWARE!

Myers: (Still counting rapidly) WHO is crossink?

Wm. F.: That perfectly AWFUL Washington fellow. He'll RUIN us all, simply RUIN us! They'll call us ALL 'revolutionaries' and very likely HANG us! Oh, dear!

Boozer: Well, let's show him a thing or two. I am ready to write my HEART OUT.

Duckley: (Striking the pose again) So am I!

Boozer: Nurse, my PEN!

Duckley: And MINE!

Drucilla: No, NO! DON'T! You mustn't! Think of yourself! Think of poor old Dad and Mother alone with all that MONEY! Don't DO IT, sweet Billy!

Wm. F.: (Waving lace handkerchief with flourish) I MUST! Give me my PEN!

Drucilla: (Sobbing uncontrollably) I can't watch! Here is your pen. (She hides her eyes) (They begin to write furiously)

Boozer: (Whimpering) I'm fading fast.

Wm. F.: So am I.

Boozer: The end is near.

Wm. F.: (Weakly) Goodbye, Drucilla. Goodbye, Solomon.

Solomon: (Finishing the count) Goodbye, goodbye, OY! Vat a tradgedy! --Oh say, vile I think of it, you von't be needing dot other bag money now vill you, Villiam? Do you mind I should take it too?

Wm. F.: Yes, yes, yes--take anything. Just write nice things about me. AND DON'T SAY I WASN'T GOOD TO THE JEWS! I'm slipping away, now. My heart is about written out for my Country.

Boozer: I think my heart is coming out too! Ooops! There it is. (His heart comes out and plops on the floor) Ahhhh-h-h- (He dies)

Wm. F.: There goes mine! ouph! ahhh-h- (He dies)

Drucilla: (sobs and wails and screams)

Myers: Say, Drucilla, you vant I should maybe manage your affairs too, like I always did for Villiam? For only vun bag money a veek I ....

Drucilla: For God's sake, shut up, Myers! My own little brother has written his heart out for his Country! I'm GRIEF stricken! Get out!

Myers: AH, HA! Anti-Semitic! I knew it! I knew it! Just for dot, I vill never tell how these Goy heroes wrote their hearts out. Then the voild vill think it vas Washington und his ruffians at Valley Forge vot safed America. They'll never know Wm. F. Duckley and Boozer actually won it by writing their hearts out up here in this hospital!
